Requirements for certification in 2021/22

The diagram below shows the number of units you need to take/submit depending on how many units you have already 'completed'.

For all candidates certificating in summer 2021, an assessment must be taken this year. Any units taken in a previous series, units that are eligible for a deferred assessed grade from summer 2020 or units eligible for a unit teacher assessed grade (TAG) from summer 2021 are considered 'complete'.

If both units are left to complete (as no assessments were planned for Summer 2021), both must be taken/submitted.

We are considering whether further adaptations are needed for this qualification. We will keep you informed about any further adaptations.
